### CLUB CHAMPS

This year's club championships were a success with Oli winning the title. The league system worked well and it will be continued next year, but it will be held over the whole year. So you'll have to come out all year to score well!

### CLUB KIT

We now have a new kit design, thanks to John for his efforts on developing this. Russ will be putting in an order in the New Year and there will be a ten pound discount for each member off the first order, so let Russ know if you want any new kit.

## **RACING IN 2009**

We're having an extra club meeting in January to discuss racing, camping trips etc. So if you're interested in racing with the club next season or the trips away come along and bring all the dates and details of any events the you'd like to enter or any trip that you'd like to organise for the club. The venue and date is yet to be decided.
